2nd TRAP HOUSE

The image features the text '2nd TRAP HOUSE' in a vibrant pink, 3D, glossy font. The letters are stacked in three rows: '2nd' on top, 'TRAP' in the middle, and 'HOUSE' at the bottom. The font has a thick, bubbly appearance with visible highlights and shadows, giving it a three-dimensional feel. Several dynamic splashes of pink liquid are scattered around the text, particularly concentrated around the '2nd' and 'HOUSE' sections, adding a sense of movement and energy. The entire composition is set against a solid black background, which makes the bright pink color stand out prominently.
